The National Compliance Advisory Initiative: Phase Two

Risk Management Process and Facility Security Committee Training

During Phase One of the National Compliance Advisory Initiative, the ISC provided awareness training across the country. Now building off of that foundation, Phase Two provides a half day, instructor-led, training course covering the Risk Management Process and the roles and responsibilities of the Facility Security Committee. The course is offered at no cost to participants and is available on a first-come, first-served basis.
